<p>INVESTIGATION:</p> <p>On 12/21/14 at approximately 0406 hours, I responded to 27677 Avenue 146 in Porterville to assist TCSO with a barricaded subject. Dispatch advised that TCSO was requesting the use of a K-9 for a male subject wanted for three active felony warrants. Dispatch advised that the subject had barricaded himself inside of the residence.</p> <p>I arrived on scene and met with TCSO Deputies who had set up a perimeter around the residence. I was advised that the subject later identified as CHAVEZ, Sergio was wanted on three active felony warrants. I was advised that the subject had placed items behind the front door in so that deputies could not enter the residence. Upon arriving, I was met in the driveway by Deputy Clower who advised me that they had given several announcements for CHAVEZ to come out but did not get a response. Deputy Clower briefed me on the fact that one of the charges on CHAVEZ's warrant was for possession of a firearm while being under the influence of a controlled substance.</p> <p>I retrieved my partner K-9 Chris and responded to the front door which was now open. I positioned K-9 Chris at the front door and made an announcement stating "Police Department K-9, come out or my K-9 will find you and you may get bit." I did not hear a response. I then sent K-9 Chris into the residence to search for the subject. K-9 Chris immediately ran over to a sofa that was located in the livingroom and began showing interest at the sofa. I then made another announcement for CHAVEZ to come out and again no response was given by CHAVEZ. TCSO Deputy Clower had entered the residence with me as my back up officer. I advised Deputy Clower that my K-9 was showing interest in the sofa. I then took control of K-9 Chris and Deputy Clower flipped the sofa over exposing CHAVEZ. As soon as CHAVEZ was exposed he put his right hand up but still had his left hand down near his waistband. CHAVEZ was ordered to show his hands but he kept his left hand down by his waistband. With the information Deputy Clower provided me prior to making entry regarding CHAVEZ, I released K-9 Chris who bit CHAVEZ on his left forearm.</p> <p>I advised CHAVEZ to stop resisting and to stop moving. CHAVEZ then complied to my commands and Deputy Clower took control of CHAVEZ and placed him under arrest for the warrants. I then had K-9 Chris release control of CHAVEZ and secured him into my vehicle. Medical responded to the scene and cleaned and bandaged the bite wound. Deputy Clower then transported CHAVEZ to Sierra View District Hospital for further treatment.</p> <p>While at the hospital he was interviewed in my presence by Deputy Clower. Deputy Clower asked CHAVEZ if he had heard the deputies advise him to come out and he stated that he did but was scared and did not want to go to jail and thats why he did not</p>

Sergio CHAVEZ, HMA, DOB 6-1-78

SUMMARY:

On 12-21-14 at approximately 0406 hours, the Tulare County Sheriff's Department requested a Lindsay PD K9 unit to assist in apprehending a barricaded subject with three active felony warrants. One of the warrants was for possession of a firearm while being under the influence of a controlled substance.

Upon arrival, Officer Alcantar met with the TCSO Sergeant and received a briefing on the subject. He then took his K9 partner, Kris, to the front door of 27677 Avenue 146, Porterville. He made a K9 announcement for the subject to surrender or that a police K9 would be deployed. After they did not receive a response, they entered the residence and began searching with the police K9. While searching the residence, Kris alerted to the sofa in the living room. Upon lifting the sofa, officers discovered that CHAVEZ was hiding underneath. His left hand was concealed underneath him. CHAVEZ was ordered to show his hands, but when he did not comply the K9 was released and grabbed CHAVEZ' left arm.

Deputies then took CHAVEZ into custody while Kris let go of CHAVEZ' left arm. CHAVEZ was taken to Sierra View Medical Center for treatment. CHAVEZ was found to have suffered from several puncture wounds on his left forearm, see attached photos. CHAVEZ admitted that he heard officers and hid under the couch so he would not have to go back to jail.

RECOMMENDATIONS:

Based on the circumstances of the case, I believe the use of force in this incident was within department policy and compliant with case law. CHAVEZ had several active warrants, one of which was for possession of a firearm while under the influence. CHAVEZ refused to comply with police orders and had his hand concealed underneath him.

CASE STATUS:

Case closed.
